

UNIVERSITY OF CALIFORNIA  
**SANTA CRUZ**

**UNIVERSITY OF CALIFORNIA, SANTA CRUZ**  
**CENTER FOR COLLABORATIVE RESEARCH FOR AN EQUITABLE CALIFORNIA**

**Postdoctoral Scholar, Ethical Issues in Community-University Collaborative Research  
(Funded by the Spencer Foundation)**

The Center for Collaborative Research for an Equitable California (CCREC) at the University of California, Santa Cruz (UCSC) invites applications for the position of Postdoctoral Scholar for a Spencer Foundation funded project on ethical issues in community-based research, under the direction of Ronald D. Glass, CCREC PI/Director and Professor of Philosophy of Education. The Postdoctoral Scholar will assist in the development of a casebook on the ethical issues in collaborative community-based research, in the preparation policy briefs in relation to the codes of ethics of professional associations of researchers (such as the American Anthropological Association, American Educational Research Association, and American Sociological Association), in the organization of an invitational conference on the ethical issues in collaborative community-based research, and participate in CCREC seminars, colloquia, and training projects as related to the Spencer Foundation funded work. See [ccrec.ucsc.edu](http://ccrec.ucsc.edu) for more information about CCREC.

**RANK:** Postdoctoral Scholar

**SALARY:** \$50,000/year.

**BASIC QUALIFICATIONS:** Ph.D. or equivalent degree in a social science discipline, education, or philosophy by July 2014; demonstrated record of research; and knowledge of research ethics.

**PREFERRED QUALIFICATIONS:** Experience with collaborative or participatory research methods; knowledge of IRBs and issues in research ethics; experience writing policy briefs; experience working with community-based organizations.

**POSITION AVAILABLE:** July 1, 2014.

**TERM OF APPOINTMENT:** One year, with possible extension, contingent upon availability of funding and positive performance review. For appointments within the University of California, the total duration of an individual's postdoctoral service may not exceed five years, including postdoctoral service at other institutions.

**TO APPLY:** Applications are accepted via the UCSC Academic Recruit online system, and must include a letter of application addressing how you meet the basic qualifications; curriculum vitae; name, affiliation, and contact information for 3 references; and a sample of published work. Documents/materials must be submitted as PDF files.

Apply at <https://recruit.ucsc.edu/apply/JPF00090>

Refer to Position #**JPF00090-14T** in all correspondence.

**CLOSING DATE:** Review of applications will begin on March 17, 2014. To ensure full consideration, applications should be complete by this date. The position will remain open until filled, but not later than 5/2/2014.
